Partial Capo at 2nd

E A D/A B

Partial capo. fret 2 on strings 1, 2, 3, 4, 5

The musical notation is in 4/4 time with a key signature of three sharps (F#, C#, G#). The first measure is marked with a '1' and a 'mf' dynamic. The guitar tab below shows the fretting for each string (T, A, B) across four measures. The capo is at the 2nd fret, so the fret numbers in the tab represent the actual fretting, while the fret number '0' in the tab represents the capoed fret.

Measure	T	A	B
1	4	4	0
2	5	4	0
